

## **PART 2**

Describe something you own which is very important to you.  
You should say:  
    where you got it from  
    how long you have had it  
    what you use it for  
and explain why it is so important to you.

You will have to talk about the topic for 1 to 2 minutes. You have one minute to think about what you're going to say. You can make some notes to help you if you wish.
