

SPEAKING

PART 2

Describe a time when you started using a new technological device (e.g. a new computer or phone).

You should say:

**what device you started using
why you started using this device
how easy or difficult it was to use
and explain how helpful this device was to you.**

You will have to talk about the topic for one to two minutes. You have one minute to think about what you are going to say. You can make some notes to help you if you wish.
