

SPEAKING

PART 2

Describe a very difficult task that you succeeded in doing as part of your work or studies.

You should say:

what task you did

why this task was very difficult

how you worked on this task

and explain how you felt when you had successfully completed this task.

You will have to talk about the topic for one to two minutes. You have one minute to think about what you are going to say. You can make some notes to help you if you wish.
