

TEST B, WRITING TASK 1 (GENERAL TRAINING)

SAMPLE ANSWER

This is an answer written by a candidate who achieved a **Band 4.5** score. Here is the examiner's comment:

The answer addresses the task and, although the response to bullet two is limited and not wholly focused on the prompt, the letter has a clear purpose. The points are organised but do not flow well because the progression is not always signalled clearly. Ideas can be linked, but there is only limited use of connectives, and these are not always accurate. Vocabulary is also limited, with mistakes in even basic words so the reader has to make some effort to follow the meaning. Similarly, control of sentence structure and grammar is weak, and punctuation is not used accurately. There are some correct structures, but errors are very frequent and are confusing for the reader.
