

USE OF UNIVERSITY GROUNDS BY VEHICULAR TRAFFIC

The University grounds are private.

The University authorities only allow authorised members of the University, visitors and drivers of vehicles servicing the University to enter the grounds.

Members of staff who have paid the requisite fee and display the appropriate permit may bring a vehicle into the grounds. A University permit does not entitle them to park in Hall car parks however, unless authorised by the Warden of the Hall concerned.

Students may not bring vehicles into the grounds during the working day unless they have been given special permission by the Security Officer and have paid for and are displaying an appropriate entry permit. Students living in Halls of Residence must obtain permission from the Warden to keep a motor vehicle at their residence.

Students are reminded that if they park a motor vehicle on University premises without a valid permit, they will be fined £ 20.

PATIENT INFORMATION LEAFLET

The name of your medicine is
Borodine tablets.

WHAT ARE **Borodine** TABLETS USED FOR?

Borodine tablets are used to help relieve hay fever and conditions due to allergies, in particular skin reactions and a runny nose.

It is not recommended that **Borodine** tablets are given to children under 12 years of age or pregnant or breastfeeding women.

BEFORE YOU TAKE **Borodine** TABLETS

In some circumstances it is very important not to take **Borodine** tablets. If you ignore these instructions, this medicine could affect your heart rhythm.

Are you taking oral medicines for fungal infections?

Have you suffered a reaction to medicines containing **Borodine** before?

Do you suffer from any liver, kidney or heart disease?

If the answer to any of these questions is **YES**, do not take **Borodine** tablets before consulting your doctor.

AFTER TAKING **Borodine** TABLETS

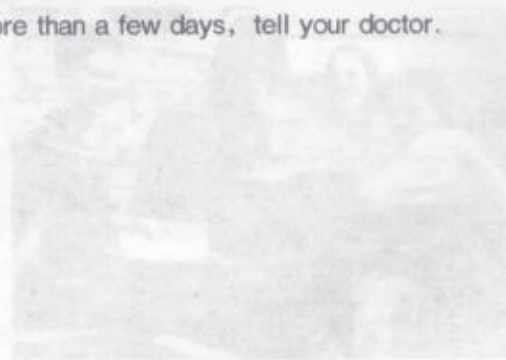

Borodine tablets, like many other medicines, may cause side-effects in some people.

If you faint, stop taking **Borodine** tablets and tell your doctor immediately.

In addition **Borodine** tablets may cause problems with your vision, hair loss, depression or confusion, yellowing of your skin or your eyes.

If you have these effects whilst taking **Borodine** tablets, tell your doctor immediately.

Other side-effects are dizziness or headaches, and indigestion or stomachache. However, these effects are often mild and usually wear off after a few days' treatment. If they last for more than a few days, tell your doctor.

West Thames College has continued to build on that first class tradition.
