

## **SPEAKING**

### **PART 3**

#### ***Discussion topics:***

##### **Expensive items**

###### *Example questions:*

Which expensive items would many young people (in your country) like to buy?

How do the expensive items that younger people want to buy differ from those that older people want to buy?

Do you think that people are more likely to buy expensive items for their friends or for themselves?

##### **Rich people**

###### *Example questions:*

How difficult is it to become very rich in today's world?

Do you agree that money does not necessarily bring happiness?

In what ways might rich people use their money to help society?
