*Questions 22-29***Suggested approach**

- Read the task rubric carefully. Note that you have to make a judgement about the list of statements.
- Note the difference between information that is false (i.e. the passage says the opposite) and information that is not given (i.e. not stated in the passage at all).
- Read question 22. This statement is about overnight accommodation.
- Scan the paragraph headings for a reference to accommodation. The first heading is "Accommodation"
- Skim through this section of the text to see if there is any information about how long you can stay at the club for. At the end of the section it states: "long and short stays welcomed". So the answer to question 22 is True.
- Repeat this procedure with questions 23-29.
