WRITING TASK 2

You should spend about 40 minutes on this task.

As part of a class assigment you have to write about the following topic:

>**We are becoming increasingly dependent on computers. They are used in business, hospitals, crime detection and even to fly planes. What things will they be used in the future? Is this dependence on computers a good thing or should we be more suspicious of their benefits?**

You should write at least 250 words.
