# SPEAKING

## PART 3

### *Discussion topics:*

**Technology and education**

*Example questions:*
What is the best age for children to start computer lessons?
Do you think that schools should use more technology to help children learn?
Do you agree or disagree that computers will replace teachers one day?

**Technology and society**

*Example questions:*
How much has technology improved how we communicate with each other?
Do you agree that there are still many more major technological innovations to be made?
Could you suggest some reasons why some people are deciding to reduce their use of technology?
